

Countryside High School Cougars Swim & Dive Team 2010 Personal Ads in Yearbook

As the Yearbook has become such a success over recent years, it has also increased in size. Although we want to recognize the sponsors for their greatly appreciated financial support, we will be listing them according to their level of support on one or two sheets rather than on numerous sheets of advertisements. This leaves room for personal ads for the families and friends to show their loving support to the Team Members.

As in the past we need your financial commitment now so we know how many personal ads will be in the Yearbook and so we can make sure we have enough pictures of the swimmers & divers if needed for the ads. We will work more closely with you on the ad as the booklet comes together. Our goal has always been to keep this book as personal as possible to the Teammates and their families and friends.
